RE: Project Number 17-010
Completion Notice

Dear Ms. Avery,

The permit issued to Mercy Circle allowed it to remove the restrictions on admission to its 23 Long Term Care beds.

Those restrictions have been removed and the project is complete.

There was no cost for this project.

Mercy Circle was listed as having 22 licensed beds and 1 unlicensed bed. IDPH has recently licensed the unlicensed bed so all 23 beds are now licensed.

If you need any additional information please contact our consultants Billie Paige or Ira Rogal.

Very truly yours,

Frances Lachowicz
Executive Director
